## Now Serving: Number 17!

Dear Faith,

We've heard from you that special deliveries merit special announcements, so here's our announcement!

Our last special delivery - a side of Belted Galloway from Peter Bance in Goochland - **sold out in less than five days**. It pays to call ahead! 422-8519.

We've also got a limited supply of Chris's incredible all-beef Hot Dogs, so if you're enjoying the warm snap and want to fire up the grill, stop by soon.

## Special Delivery: Number 17!

Just yesterday, a side of beef came in from [Skyline Premium Meats](#) in Luray. They breed and rear their own Angus - Simmental cross and raise them on pasture, where they are fattened on grain that they raise themselves. Skyline Beef is 100% natural, they do not use growth hormones or antibiotics.

Cow #17 is now ready for delivery, and can be had either as individual cuts from our meat counter or as a package. The 'package' that we are offering on this side of beef includes: a bone-in Ribeye or sirloin or t-bone for 2, a 2-1/2 to 3 lb Chuck Roast, 2 lbs of Kebob meat or Short ribs cut for grilling and 5 lbs of Ground Beef - prices range between \$80 and \$100 for each package - this is a savings of over 20%!

(Please do not order by email. When we get busy I don't check email and it would be a shame to miss your order.)

Remember to visit our [website](#) for information about the sausages we have in the case, and become a [fan on Facebook](#) for recipes, cooking tips and to share experiences from your travels!

We look forward to seeing you!

Sincerely,
